An interview with Mr. Wong
By 6C Wing Chee
Mr. Wong is the principal in our school. He lives in Yuen Long. He lives with his parents and his wife. They get along with each other.
Mr. Wong has been the principal in our school for 2 years. He enjoys teaching children and wants to be a successful principal.
Mr. Wong admires many people. He respects Dr. Sun Yat-Sen most. He thinks that Dr. Sun was a great person because he had the power and ability to change China.
Mr. Wong is a sporty person too. He is good at table-tennis and badminton. He got the champion in the international school badminton competition. On the other hand, Mr. Wong also loves Chinese. Mr. Wong likes bright colour. He likes yellow best. He likes eating seafood especially crabs. His favourite fruit is orange.

An interview with Miss Li
By 6C Yandy Chan
Miss Li is one of the English teachers in our school. She lives in Yuen Long and has worked in Chung Sing School for ten years already.
While she was only a student, she loved learning English and teaching others. So, when she grew up, she became an English teacher.
Miss Li has a son and a daughter. They were below three years old. Miss Li likes to play with them. They usually go to the playground or country park at weekends.
When Miss Li has leisure time, she likes watching the students who are playing table tennis.

An interview with Miss Li
By 6C Lee Sin Yu
Miss Li is one of the English teachers in our school. Do you want to know more about her?
Miss Li has taught in Chung Sing School for ten years. She wants to be a teacher because she loves learning English and teaches students. Therefore, she has been a teacher for a long time.
Miss Li is not only a good teacher but also a good mother. She loved watching TV before. She changed her hobby to go to country parks because of her babies.
Miss Li admires people who help others. She wants her babies and students to be a helpful person.
